HISTORY:

Business Accessories has been supplying Desk Accessories, Visual Boards and Tables to the contract furniture industry for over forty years. In 2002, Business Accessories was purchased by Manfred Koch, a recognized international designer in Europe and the United States. The manufacturing facility is now located in the new Tri-County Business Park, Chaffee, NY.

Since 2010, Business Accessories became a Women Owned Business under the direction of Alejandra Koch.

MISSION:

Business Accessories will maintain a commitment to quality and will preserve a tradition of hand crafted excellence using only premium materials.

GOAL:

To offer an Innovative line of Desk & Office Accessories, Building Accessories, Visual Aids, Tables and Chairs that provide a balance of Design, Function, Value and Quality.

DRUM & CONFERENCE TABLES

DRUM TABLES

Drum Tables Series

Business Accessories Drum Tables are constructed of the finest materials and are finished to the highest level providing a truly premium piece of furniture. Business Accessories avoids the use of contact adhesives and have virtually eliminated the possibility of delaminating creating a table that provides maximum stability, weight support and structural integrity.

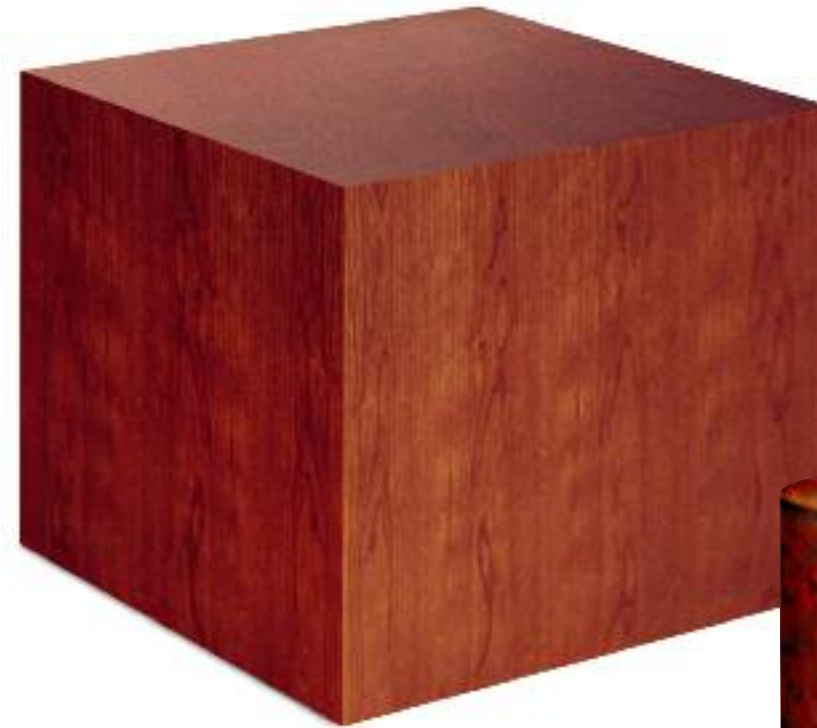

CYLINDER DRUM TABLES

have a wood composite core. Endcaps are 3/4" particle board rabbeted into a cylindrical tube. Veneer is 2-ply, faced matched, sequenced and hot pressed applied to the cylinder using a permanent-bond PVA glue.

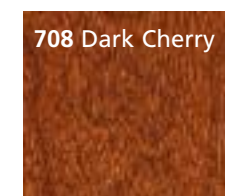

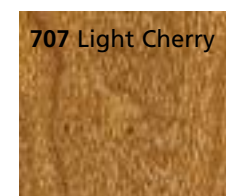

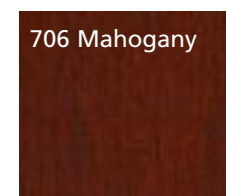

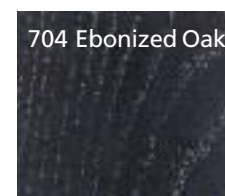

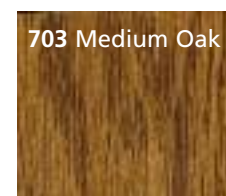

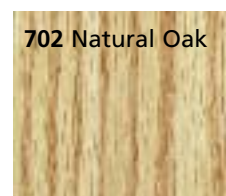

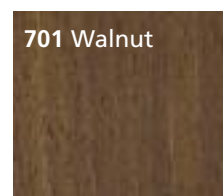

SQUARE DRUM TABLES

have a medium density fiberboard with tongue-and-groove lock miter joints. Premium grade veneer is sequenced matched on four sides and hot pressed applied using urea based resin glue to provide a solid bond.

All tables are both machine and hand sanded to provide a smooth blemish-free surface then finished in a catalized finish.

Standard Wood Finishes:

REGENT TABLES

Regent Tables

Regent Series conference tables come with a 1³/₁₆" thick top, core banded, hand matched veneer and have a flat, solid wood self-edge with a light radius treatment in maple, oak or cherry. Metal straight legs, cylinder base, soft cube and panel bases are available. All tables are finished with a hand sanded catalized finish to insure premium quality.

Standard Edge Treatment:

- Wood Self-Edge

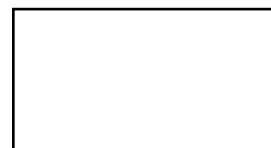

Standard Bases Available:

- 2", 3", or 4" Diameter Metal Legs
- Cylinder
- Panel
- Cube
