White Boards*

come standard with a high-quality ceramic steel magnetic writing surface. Ceramic Steel is the preferred surface as it provides for smoother writing, increased color contrast, reduced surface light distortion for enhanced visibility and optimum eye comfort, and improved erasability when compared to porcelain steel writing surfaces.

Standard aluminum frames with radius corners help protect the edges from damage.

Supplied are four markers and eraser, wall mounting hardware & presentation rail.

Optional: Adjustable top-of-partition hangers, and permanent screen-printed graphics.

White Boards*: (Aluminum Frame)

- 040200 24" h x 36" w
- 040201 36" h x 48" w
- 040202 48" h x 48" w
- 040203 48" h x 72" w
- 040204 48" h x 96" w

* Available in custom sizes

Standard Frame:

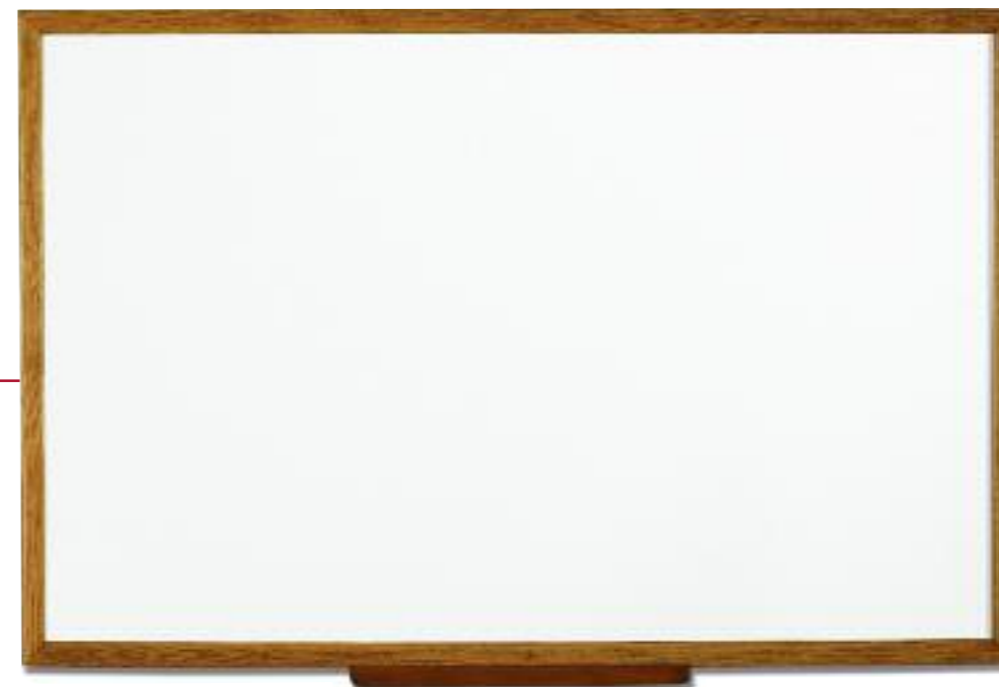

- 560 Clear Aluminum Anodized Finish

NOTE: We do not sell or recommend low quality, non-magnetic white boards (generally a plastic material) for commercial applications due to their difficulty to erase and clean.
